Hello there,
My name is Melissa. I'm 29 years old. I have years of experience babysitting. I'm available any time. I can go to you if you need me to. I'm looking for either full time or part time. I absolutely love kids. I know how important it is to find a good babysitter for your children. I like to play and give them quality time. I'm pretty flexible with schedules and pay. If interested email or call/text
