LOST grey Siamese cat silver collar microchipped (112th Huron Northglenn)

Location Colorado https://www.genclassifieds.com/x-508194-z

Isabella did not come home last night, Sunday June 7th. she's never stayed from home overnight before.

Blue point darker Siamese kitty Cat, she is wearing a silver collar, she is fixed, micro-chipped, one year

she is loved and missed, especially by her dog....

we have a dog door so keeping her in house is not an option, she is a great tree climber. we are hoping that she did not encounter evilness on the canal path by our house.

If you see her please let us know, if you catch her, she will.
