I live in Littleton, and have a large yard. There is another dog in the home, and two cats. I have breed experience with Aussies, and Great Pyrenees. I'm happy to feel stable enough to add another member to my family.

I can promise you my new canine companion will be spoiled rotten, will enjoy lots of hikes, camping trips, at least three walks a day, and as many sessions of doggy day camp when I can't spend time with them as possible. I am a trainer, and can work with minor behavioral problems.

Please respond with a bit about the dog you are rehoming. I am open to puppies, young adults, adults, and senior dogs. I'm more than happy to rescue a dog in need, from a shelter or rescue organization. Will pay a rehoming fee, or adoption.
