She is a female chihuahua min pin mix puppy. She is VERY very sweet and loving. she is reasonably smart and will be easy to train. She has an active personality but she is not normally yappy. she is very quiet. She gets along great with very young kids and other dogs and also cats. we cant keep her for just ONE reason. she jumps on our infant when hes in the bouncer and it scares the crap out of us. We paid 300 for her about a month ago. but she is will relocate to a good home with a small adoption fee. she is about 4 months old and has all her puppy teeth. please text or call for pictures or more information
