This home has a brand deck where you'll love sipping on a cup of coffee while you listen to the birds chirping and admire the panoramic view of the mountains. When you're inside you'll really appreciate all the room this house offers, 1728 sq ft. It has two good sized bathrooms; and the master bedroom has an attached bathroom. There is a living room upstairs and a family room downstairs. For those blustery days you'll enjoy having the arctic entry!

There is a detached garage and a huge parking area which will fit a semi and trailer (or several) or any of those valley toys and trailers.
