Have you been looking for THE home? Well, you have found it. This home has feature after feature that you will fall in love with. If you love to cook, then you'll never want to leave this kitchen which has custom pull-outs and shelving. Or perhaps you just want to relax and soak away your cares, then head upstairs to the master suite where you'll find a deep soaking tub in a bathroom that has all the upgrades. After you're done relaxing you can head back downstairs to a superb entertaining area with a two story fireplace, or into the den to cuddle up and enjoy a movie.

If you've been looking for it, this house probably has it.

Call today to schedule a private walk through.
