My name is Jimmy and I have a place in South Arlington that is 3 miles away from Ballston Metro and less than 5 minutes walking distance to multiple bus stops. I'm moving out of my room and need a sublet for a few months starting July 1st. Its a three bedroom with 2 Full bathrooms and 2 half bathrooms. You would just have to share the shower with one other roommate. Rent is \$920, utilities included. Email me back with some background information about yourself and we can discuss more about the apartment and the roommates you would be living with. Thanks.
