For sale '99 Ford Mustang V6 3.8L coupe. It has been my daily driver since purchased three years ago. Mechanically I have had the lower control arms/ ball joints/ new rack and pinion/ brake lines all the way around/ new front & rear brakes/ rotors/ rear calipers/ water pump replaced. Engine is in very good condition, never had any engine problems. Only thing it will need is a new paint job due to paint peeling on bottom rocker panel of doors. Car runs and drives great. Very dependable. Asking \$3000 firm. Serious Inquiries Only!!!! No time for tire!!!
