Location **Arkansas**

Name: Loretta (answers to Retta)
 Age: 3
 Last seen at 2124 W Wedington midnight on Sunday

My dog Retta escaped last night. She is my first dog ever and I wasn't aware of her being in heat but I think that's the case. I'm not sure if she's spayed or not. I live on 2124 W Wedington Dr and I can't imagine she went too far from there.

If you have any leads, let me know. She is a 3 year old border collie (black w/ some).
