ABOUT RASCAL

Check meowt! I`m Rascal and I totally live up to my name. I`m full of bouncy, fun energy. I love playing with all kinds of toys. I`m from the group of 22 that you may have heard of on the news. I`m ready for adoption! If you like spunky, squirmy and goofy kittens, then you will love me. I like other cats too! I`d also likely make a great mouser. Visit with me and see if I`m the right match for.
