ABOUT RASCAL

Check meowt! I'm Rascal and I totally live up to my name. I'm full of bouncy, fun energy. I love playing with all kinds of toys. I'm from the group of 22 that you may have heard of on the news. I'm ready for adoption! If you like spunky, squirmy and goofy kittens, then you will love me. I like other cats too! I'd also likely make a great mouser. Visit with me and see if I'm the right match for.
