Great business opportunity  
 What's a better way to live the American Dream than to own your very own business.  
 I have a two bay truck wash and a dispatch office sitting on 4 Ac. This is all next door to Tyson's in Greenforest Ar  
 Office approx 24x 30 colored metal roof and siding. Tan and Green.  
 I can owner finance this property for you also. I only need (\$5000) down. I would be willing to defer the full down payment up to 6 mo. as long as you stay current on your payments. I might even be willing to do some trading on the down payment. I'll finance the rest at 6% interest. Payments will be around \$970 a mo. On a 20 yr amortization with a balloon after 5 yrs. if all is going well at that time we will consider doing a refi. Price starting at \$140,000  
 Or I'll give a 10% discount for cash.\$14,000 off
