Would you like to make some extra cash in your spare time, well of course we all do. Well here's a great opportunity to do just that. Right now there is a great promotion which is being offered by lyft to new drivers looking forward to making some extra cash. For a limited time only, which can end at any time you can sign up as a new driver in order to be eligible for this promotion. All you have to do in order to become eligible for this promotion is start the application process. Once you've been approved to become a lyft driver which usually takes 1 week from the completion of your application you'll have 30 days from that date to complete the required 50 rides in order to receive your \$750 bonus. Most areas around the country do not have a \$750 bonus they usually average about half that, so your extremely lucky to be living in one of the few regions in the country which offers this huge bonus money to take advantage of.

You only have to have a four door vehicle 2003 year model and newer with no major exterior and interior damage for example if you have major dents and scratches on the outside, and if the interior of the vehicle is badly damaged then your vehicle may not qualify. If you have any questions please do respond to this email. Remember all you have to do is just start the application process in order to qualify for this promotion, so don't wait because as mentioned it could end at any time.

Reminder: When you go out with the mentor remember to have a positive attitude, be friendly, sociable because those are the kind of drivers the company likes. If you portray a negative vibe, bad attitude etc. They will not bring you aboard the Lyft platform. It's not complicated just relax, be personable and you'll be just fine Cheers.
