 Arizona Car, I drove it to Virginia in late 2013 when I moved here, so no rust Issues and clean underneath chassis.
 Drove from Ashburn to DC 5 times a week, drove from AZ to Virginia and all over in US with no problem ever.
 Kelly Book Private sale value in excellent condition is 3330.00, if you have a different value it's probably because you missed out some option/s, I only want 2950 non negotiable and there is no problem with this car. It is a dependable vehicle with not a penny to put in repair.
 I recently had shoulder surgery with 5 insisions so I can not drive Manual transmission and I wish to see serious buyers, if you do not have \$2950 please save my time and yours, this is my final price, It is up on the add because it is still available if it gets sold I will remove it from the add.
