ASKING: \$1840.....cash/check ONLY: \$1600

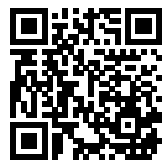

This 135+y/o Solid Mahogany Empire influenced display bookcase, china cabinet or just about whatever you need it to be, at home or in your office. The three side's of original wavy glass makes it light enough inside to be used as a curio. It's over 6 feet tall and almost 5 feet wide with adjustable shelves inside. Outside it features beautifully carved claw feet that even show the toenails! Plus, solid columns with lovely carved scroll tops. This is sturdy, solid, and heavy...very much a quality crafted piece in fact even the doors are ONE INCH thick of old growth Honduran Mahogany. And, like everything we sell this is super clean & ready to use to use this very day!

MEASURES: 73" height by 57.25" width by 23" depth

Free delivery & free moving services at \$1000 per loadhouse  
or even ACROSS THE COUNTRY!
