## OVER 8 foot tall Solid Walnut amp Marble Eastlake Victorian Pier Mirror (990, USD)

Location **Massachusetts** https://www.genclassifieds.com/x-508609-z

asking \$1249 ----- \$990 cash/check

It's nearly 8.5' feet tall with the original mirror, beveled marble, and incised carvings. We found it and another in pieces wasting away in a cellar so refinishing was the least we could do. This piece is in great condition and ready to use for another century. Perfect for your foyer, hall, parlor or wherever you desire a dash of elegance!
