Hello everybody,

me (Verena) and Max are on a long long Journey. In this Country it will end in New Orleans but right now we 're still in the Bay Area. We started hitchhiking (that s how we planned to get around :-)) in San Francisco yesterday and after waiting for many many hours by the side of the road only made it to Livermore although Bakersfield would have been the day's goal... We're still trying to make it there so if you're going into direction Bakersfield today or tomorrow, please give us a call.

Cheers,  
Verena and
