This is adorable Jayda. I just rescued her from the contra costa shelter this past Friday, she was due to be euthanized. She's been in the shelter since April and no one wanted her :(

She is a really sweet and smart girl. I paid \$200 to get her out because that's her adoption fee. I'm not keeping her because I already have 2 dogs (one Pit and one small poodle). I just wanted to save her life. She knows all her basic commands and even crate trained! She is eager to please and very trainable. Please give her a chance to cuddle and give you lots of kisses!

Her adoption fee is \$200...what I paid at the shelter. I have the receipt if you would like to see it. She is up to date with shots and also spayed. I have all her paperworks and it will be given to you.

Thanks for!!
