Hi! We are moving into a town home on July 14th. We are looking to rent out our third bedroom \$250 and to split the utilities three ways. We are two females, one 19 and I am 24. We don't host a lot of parties, we just like to have our friends over at times. The place allows two dogs, 25lbs max. I have a chihuahua and I am looking to get a second dog, as my dog does not like to be alone. If you find yourself interested or want more information, please contact!
