Once in awhile you get lucky! Three bedrooms on the main floor, bonus bedroom in the lower level with family room and 2nd. fireplace. Over sized garage with a workbench and upgraded 200 amp service. It's a guy thing! Ladies you will love the kitchen with a huge amount of cabinets and counter space. Side deck off the dining area makes a great place to BBQ or you could do that at poolside on the patio or second deck from the main level. Neat and clean home and it's move in ready. Deep your toes in the kidney shaped in-ground pool. Relax enjoy a swim and exercise to get the best body you have ever had. Do you like to entertain? Your friends will envy you. Priced so you can afford it! Nice level fenced lot. Owner just added an extra parking pad for guests or for your RV. Home is conveniently located (near the Walmart super store) at 72nd. St. and N. Antioch. You may have to mow the lawn, but the exterior has maintenance free siding. Come take a look. This could be the one for you. Thank.
