I am looking for female models of any age for an adult private photo shoot. Images will be explicit, Hustler and more, for a private collection and won't be posted. There will be a compensation between \$100 to \$300/hr based on the content shot.

Please note that obviously will require nudity so reply only if really interested.

The shoot will take place in Huntington Beach the next week.

If you are interested please send an email including a couple photos and describing previous experiences in modeling if you have any.

Thank you
