We're hosting a full and half trail running marathon this Saturday June 20 in Elkton MD at the Fair Hill NRMA and we need some rockstar race crew members to help put on a good show.

We're looking to hire 30 autonomous enthusiastic staff members to handle one or more of the following tasks; water/aid stations captains, participant check in, setting up, cleaning up, cheering people on, prepping food and doing whatever needs to be done to help put on a clean, sharp and enjoyable event.

Applicants must be able to pick up 40lbs (water coolers, sandbags), provide their own transportation to/from/during event, be punctual, helpful, happy, and did we mention be enthusiastic?

Your attire should be clean and comfortable. Some of our aid station teams dress up in theme's like 80's neon party, Disney Princesses, etc. Just have fun! We will provide a branded event T-shirt.

To apply for one of the openings, please respond to this thread with your resume and a link to one of your public social media profiles.

If selected you will be notified within 24hrs after you apply.

The hours are from 6:00am to 1:00pm and payment (\$9/hr) will be made same day via.
