Hello Potential Buyers,

I have a 4 Bedroom single family home for sale at 8030 Beaverland Street, Det, MI 48239. The property has fire damage to the roof and needs rehab but it is a brick homes which makes it easier to repair. Also the home sits on a pretty clean solid brick block. The Lot size is 7,841 Sq. ft. and the home size is 1,620 Sq. ft. This property is located near the Redford Township area which is close to Ann Arbor Trail and Tireman. There are approximately \$2,069 taxes due for the tax year 2014. The asking price is \$3,000 OBO. This home was once appraised for around \$90k and for the right amount of TLC put into the property the value can increase with the increasing economy.
