

# Free Tennis Lessons (Washington and Baronne Uptown)

Location **Louisiana**  
<https://www.genclassifieds.com/x-508825-z>

Hey Ya'll,

My name's Aaron and in a former life I was a great tennis coach. It's been a few years and a number of states ago but I recently decided I miss the heck out of it. So to gauge interest I'll be offering tennis lessons on a donation only basis.

If you can't afford anything that's totally alright. It will really just be nice to get back out on a tennis court and teach. This may turn into a long term thing if it goes well enough but if this is something that interests you send me an e-mail. It may only be for a few weeks or a month if things get rolling.

I have taught at every level from Div. 1 College players to 5 year old kids to retirees. I think I create a fun environment and tennis is a great way to meet new people.

Class size will be limited to 5 or 6 people right now but will happily get together with any group of 2 or larger.

The location above is where I intend to offer these classes but if you know of a public court in your neighborhood, and I have the time, it's something I would definitely consider.

Send me an e-mail to register/find a common date. Right now I'm thinking Wednesday's or Saturday's at 6pm.

Thanks and take care,
