PUPPY FOR SALE. This is Tye. He was born February 1 2015. Hes currently 3.5lbs, and is up to date with all his shots and is also on the flea pill which expires after a month. Hes really sweet and playful, and really smart for his age and for being a Chihuahua. Im asking 120\$, or best offer, for him with his kennel, bed, food, treats, leash, puppy pads, toothbrush, and his favorite toy and blanket. Even if youre not interested, please share. I love him so much but cant have him no more, and i need to find him a good home. He also gets along well with any other animal and people/kids.
