Location **Connecticut**

Picking up an empty 15 passenger diesel bus from Middletown CT and driving west most likely gonna stop in Dayton Ohio for a night or two maybe a bit longer to visit my sister. After that I will possibly be heading to Missouri or South Dakota, and final leg of the trip will land me in WA state in Seattle. Unsure of how long the journey will take but willing to haul cargo and or passengers that are willing to pitch in on gas food etc. Planning on leaving CT June 29-30 after I pick up the bus and make sure everything on it is road ready. I do have aaa just incase. Please contact me to share info and details.

Blessings and Light,
