I am hoping to adopt a baby to my loving home. I am energetic, have a warm personality and can offer a stable home.

If you are pregnant and considering adoption - or if you know someone who is, please consider looking at my website. This would be a private adoption. I am certified to adopt in the US. Home study is complete. Will travel to any state.

Please see my website - DonnaAdopts.com  
Call or text me any time I look forward to speaking with you!

Wishing you and your baby all the best in this journey.
