It's 3 am and I'm taking a chance that someone might see this. I'm looking for a an open minded attractive woman that might need to make some extra money. You should be 18 - 25, older is on if you are hot, fit to average body and drug and disease free. Include two pics when you message me and put who won the Stanley cup last night in the subject so I know you are real.

I'm 32 6'3 around 200 lbs. Dark hair and brown eyes. Pretty laid back and chill. Drug and disease.
