THE CANASTAS are looking for a FEMALE LEAD VOCALIST. We play a couple of paid gigs a month, currently in Ann Arbor. We play mostly covers but as much as 20% of our sets can be original songs. We play dance music covering modern pop tunes, rockabilly, blues, R&B, funk, 80's new wave, ska and reggae.

The band is about 5 years old. Our age range is mid-20's to mid 40's. We have a trumpet player, upright bass, guitar and drums.
