We are looking for young, professional women for the adult film industry. I am a producer and talent agent from Miami. I am here to scout talent for a girl next door type interested in film and modeling. Experience desired but not required. If you are new to this I will need head/body shots as well as a list of things you are capable of doing. We will film on site with one of our male models. If you do well and you are chosen, you will be flown out to MIAMI to continue with our business. The starting pay is \$4,500-\$6,000 a week and will increase from there. Our top models make upwards of \$20,000 a week and are sent to VEGAS and LA. Serious inquiries.
