This is a small apartment complex in a quiet and safe neighborhood. It has had the same owner and manager for over 20 years, as well as many long term satisfied tenants. Appliances have been updated and many have newer carpet. All utilities, except electric, are covered in the rent. This is a very convenient area with a bus stop across the street, a grocery store one block away, a large park with a swimming beach three blocks away, and easy access to highway 36 and 35E. The main entrances have locked access, as well as the laundry rooms.

Please call us at or email for any questions. Your application fee is refunded if you rent.
