Good Day,

I have been a professional nanny for 20+ years now. I am hoping to find a long term live-in position with a wonderful family. I would like to care for one child 3+ years old or two school aged children.

My last live-in nanny position was with a family in Framingham, MA. I stayed with the family for eight wonderful years! Caring for a very sweet boy who was three years old when I arrived. Now he is in his third year of high school at Tabor Academy on Cape Cod. I'm so proud of him! My experience has been working with families in New York City and Southampton Long Island.

I am a well mannered articulate and responsible nanny with a great deal of experience and interest in children and their development. A confident child carer who is emotionally mature and able to develop close relationships with both children and families. Excellent communication skills and able to relate well with people and converse in a polite and courteous manner. Able to present a positive image to others.

I am reliable, trustworthy, organized and creative. A wonderful cook and experienced driver. I do have my own car with a great driving record. Also very flexible with my time. One passion of mine is preparing and cooking healthy food. I will be able to help with light housekeeping and errands need be.

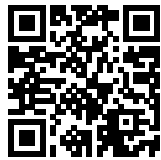

I can provide references upon request and answer any questions you may have. If you are interested, please feel free to email me. I will get back to you as soon as possible. Thank you very much for your time.

All the best to your family!
