I am the captain of a soccer team that plays in a Sunday coed indoor 11v11 league through BSSC (Boston Ski & Sports) and sponsored by the Irish Village Bar. The league plays 7 guys (including goalie) and 4 girls on the field at once. I am looking for a player who has strong skills and is competitive but at the same time likes to have fun. Experienced players are a must. Our games are played on Sundays between 9 am and dusk in and around the Boston area. The season begins on May 10th. There are 7 regular season games and a potential for playoff games as well. The core of the team has been together for about 4-5 years now. We have a friendly goofy group that likes to have fun and win. The age range on our team is from the early 20s to mid 40s. If anyone is interested in meeting some new people and playing soccer please reply and I can give you further details. You will need a car as well to travel to the.
