First off your PATHETIC, I'm going to go ahead and assume your the same POS that called me from a blocked number saying you had Loki and gave me a fake address to come pick him up at. Please find something better to do with your life besides SELLING other people's MISSING pets. Your a disgusting person.

TO WHOEVER BOUGHT MY DOG: Please contact me, I will pay you whatever you paid for him, double if I have to. I just want my baby back

IF ANYONE HAS ANY INFORMATION ON WHERE LOKI COULD BE PLEASE LET ME KNOW. I AM OFFERING A!
