We sadly have to re-home our Male Yorkie-Poo. He is UTD on his shots and is fixed! He loves everyone and loves attention! He also loves having other dogs/cats or other animals around. Our other dogs do not get along with him. He is a very loving dog! He is great in the car and loves going for walks. He is very smart and easy to train to do tricks~~he already knows some! Loving home only please! He loves kids too! Asking \$75 re-homing fee. He is 5 years old but going to be 6 soon! Please let me know if you have any questions!!
