Wanted!!!! Your vintage toys...I love the old Ideal, Mattel, Marx, etc etc. Trains HO's and anything Vintage Railroad. Would love to buy in bulk...If you have a houseful, that is what's wanted. Keep in mind that I cannot pay retail as I am a picker, but I will not beat you up on things. I like to double my money when selling. Please try and have vintage...that means I like 1975 or older. So if Grandparents or Parents are wanting to liquidate...Please call me.

Jim
