Johnson's fantastic personality saved his life. Johnson was in a rural shelter that is typically overrun with hounds and beagles unwanted and abandoned. Being a mature and larger size hound normally would have weighed heavily against his odd of getting out of the shelter alive. But Johnson quickly won the hearts of the shelter staff who repeatedly begged Homeward Trails to help this charming, good natured and friendly gent. Happily, we were able help.

Johnson is now eagerly looking forward to finding his new home. He loves and gets along with everyone - humans, dogs and cats. Johnson is 8 years old and weighs about 50 lbs.

Johnson recently underwent treatment for heartworms. He will need to be kept calm thru the end of April which should be very easy to do as Johnson is a mellow guy.

HE IS IN DESPERATE NEED OF A FOSTER OR ADOPTER. PLEASE FIND IT IN YOUR HEART TO TAKE HIM INTO YOUR HOME!

The fee to adopt this pet \$275.00 which includes routine vet fees, transporting from rural area, all major shots and the upkeep and housing.
