I currently have one new FT or PT openings in my daycare for ages 2 and up! I offer a preschool curriculum to learn our ABC's, 123's, colors, shapes and more. We do arts and crafts, science, math, singing, dancing, story time and fun group games.

I have Once Upon a Star (Costume Kim) come once a month and a music teacher comes in weekly for the children, which they love and look forward to each time.

We take walks, go to the park, have picnics and enjoy fun outside time.

I am certified in both CPR and First Aid and your child's safety comes first. I have been licensed for over 15 years and am up to date on all the required trainings including SUID/AHT and car seat restraint safety training.

I live in a smoke - free environment that is filled with laughter and love everyday.

Give me a call and find the perfect place for you and your child.
