

Cheap Photographer looking for photo shoots)

Location **Minnesota** https://www.genclassifieds.com/x-509456-z

Hello!

I've been into photography for years, but finally decided to start building my experiences. I am very cheap, I like my photos as natural as possible, very little editing. I am only 19, most of my experience has been of my dog and my friends. I again, am AMATEUR, so I am not the best but I would love ANY experiences someone's willing to give me so I can thrive and become a better photography some day. I am experienced in couples, animals and senior portraits as of right now but would love many more experiences of those shoots!

I would love to try

- kids of all ages
- engagements
- family shoot
- maybe a wedding but I am not the best yet :)

If you'd like to help me out and want a very low priced photo shoot, please email me with the email! :)
