.Hello there,

My name is Melissa, I am nineteen, I want to be a pediatrician and or an RN in a children's hospital. I would like to pick up some babysitting/nanny jobs to put extra money into my college fund. Unfortunately I am limited to weekends and Wednesday nights, I had took a child care class and have been babysitting for 9+ years or so. I have babysat ages 6 weeks old -10 years old. My rate range can be negotiable. I am capable of cleaning up your house a little if you would like, cooking the kid's meals and walking the dog/dogs. I am pet friendly! I like to interact with the kids and teach them colors or letters or if there older addition, as well as having fun. I am CPR/First Aide certified and know SIDS, I have my own license and transportation. I also work at a child care facility, but I miss babysitting, I am available every weekend and late nights. I have many overnight experiences as well, If you would like some references or to know more about me, please contact me at the email above ^

Thank you for reading -.
