

Room wanted for August amp September (Honolulu)

Location **Hawaii**

Hi guys,

My name is Claire, I'm 23 years old and a law student from Berlin, Germany. Since I've got accepted for an internship this summer in Honolulu I'll be heading over from August 5th - Oct 7th with my boyfriend.

Obviously, we'll be needing a room for that time!

So if anybody can help me, please let me know :-) if it would only be until oct first or so, contact me anyways!

Some facts:

The room would be wanted in August and September

We're both fun to be around

We're both clean and respectful

We both like to have a beer now and then (- I know, German clichÃ©! Cocktails are fine too!)

I am half American/ half Luxemburgish and Max is German. We both speak English fluently.

My work will be at Kapiolani Boulevard so it would be nice if it wasn't too far away from there/if there was a good bus connection.

Max Will be doing volunteering work.

We are more than excited for Honolulu :-)

I think we could afford to pay up to 1200 \$ for a room.

As of course we're also looking for short contact and maybe changing over that

Please contact me! Of course we could do skype or something else :-)
