Custom wedding invitations, save the dates, hand-lettered envelopes, place cards, assembly and more! We provide graphic design, calligraphy and assembly services: design consultation for those who need help narrowing down styles and navigating through invitation websites; graphic design for those who want to create custom invitations, save the dates, thank you cards, bridal shower invitations, announcements and other projects that they can then have printed and posted online; calligraphy for envelopes and place cards; and assembly of invitations, favors and welcome bags. We also can assist in finding the correct wording for your event and design, print and assemble do-it-yourself invitations, programs, menus and place cards.
