Location **Maryland** https://www.genclassifieds.com/x-509518-z

Did you know the state of Maryland requires 2 years of a second language in order to receive a H.S. diploma?

If you or your child are having trouble reaching this goal then look no further. I am a local public school Spanish teacher offering my tutoring services afterschool and over the summer.

Perhaps you would like your younger children to start learning a second language or would like to brush up on your own skills. I offer tutoring services to all ages and levels.

I am available to meet at Woodlawn, Owings Mills, Reisterstown or Towson public libraries for tutoring sessions.

The fee is \$15/half hour or \$25/hour per person. For groups of 3 or more the fee is \$10/half hour and \$20/hour per person.

Do not miss this amazing opportunity!

¡Si se!
