Female Photographer looking for female models for artistic shoots, females do not have have any previous modeling experience, but need to have good time management, and be dependable. Models with be compensated for their time with excellent pay, and the possibility of future work with me if things go well. Interested candidates should submit their name, age, contact number and stats if you know them along with your photos to get the ball rolling. I am willing to work around the schedules of the models I choose so that they do not have to take time off of work, thank you and I hope to hear from quite a few of you. If you are not in the Corpus area and I like your look I might be willing to pay your transportation.
