Location **Indiana**

We are currently hiring for the 2015 landscaping season. We are looking for experienced professionals. We specialize in mowing, mulch, bush trimming, landscape installation and tree work. We run mowing crew and landscaping crews separate, and are currently looking for another member on the landscaping crew.

You must have minimum 2 years experience. For landscaping crew you must be experienced with mulching, bush trimming, planting, chainsaws, and spade edging.

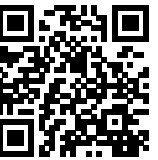

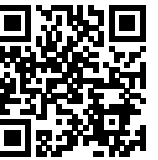

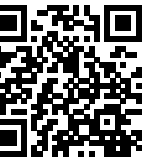

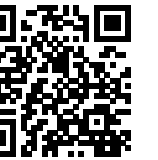

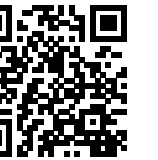

This position starts out at \$11/hr. All positions have room for advancement if you can prove your worth. We work 5-6 days a week and always take Sundays off unless weather holds us up and we have to make up time.

You must be available all days. You must show up on time every day, meaning 5 minutes early. You must have reliable transportation. YOU MUST HAVE A DRIVER'S LICENSE. It will be verified. You will need to give at least 2 references to verify your experience. You must be drug and alcohol free. If this is an issue for you, keep walking. No exceptions. I will test on occasion.

We work hard and we give excellent results, but we know how to have fun and make the best of our days. This doesn't mean you can walk off and talk on your phone or text all day. Don't take advantage of me and I will respect your time as well. You'll be working along side me and my foremen, so don't apply if you have a drug problem or drinking problem.

Pay is at end of every week and is made by check. My guys NEVER have an issue getting paid. I pay in full on time every time. Position is subcontractor with 1099 at end of year. I hope to hear from you soon. For earliest consideration, type (YOUR LANDSCAPER) in subject line of email.

In short, if you're a bad ass professional looking to leave your mark and work your way up in a growing company, let's.
