Worth the drive! Everything you need to begin or expand a salt water aquarium hobby. Includes 55 gallon corner aquarium and black wood cabinet, two heaters, energy-efficient full spectrum LED lighting with day and night modes, Coralife Super Protein Skimmer, and a Filstar XP filter system (super quiet!). Includes hundreds of dollars worth of live rock (go ahead and price it online!). All necessary chemicals, cleaning equipment, and test chemicals. All you need to do is provide the fish and invertebrates. Selling because after three years my interest has waned, and I no longer enjoy the time and effort it takes. More than \$1,500 worth of equipment and live rock - asking \$500 OBO because my wife wants it gone. Buyer responsible for moving. Make the!
