\$100K+ Seriously MONEY motivated? 2-3 Hours per day?

Have you been often complimented on your phone voice?

Welcome.

We are assembling a team of super stars to assist us in a private equity capital raise in order to achieve superior shareholder value in our 3 year old company. Our INDUSTRY is EXPLODING!

EMAIL or TEXT only: YOUR outside CL email address! So we can provide further details.

You need to be very money motivated to contact our potential investor list via telephone. The position entails calling to introduce or follow up on interested respondents to qualify them to look at our opportunity.

That said, the average investor commitment nets \$1,050.00 each to your bank account. We close the transactions completely, once you simply make the introduction. As you can surely see, two per week puts you well over \$100,000 per year. Obviously, we estimate these positions to fill rather quickly.

We look forward to discussing any questions with you soon, so do not delay!

BTW, all commission only...& you can keep your clothes!
