This is the best priced two bedroom apartment in the whole building of which will remain this low rental rate until June 2016 (I know because I used to work for the management company who manages the building). You pretty much have a huge private outdoor courtyard to yourself and patio which is great for pets. You can walk 100 feet and be at the courtyard and not have to walk to the park at night (which is only 500 or so feet away). This apartment also has huge closets and 12ft ceilings!

We are looking for someone to take over our lease starting in August. Please send me an email to come by and see it. Serious people only please. You must be able to provide income documentation and pass a background check conducted by the leasing office to live here. Garage parking is included with the rent (a lifesaver in this area of town).

More Info:

Our brand new building provides Resident Controlled access, attached parking garage, 24 hour maintenance, 24 hour Fitness Center, LEED Silver Certification, parcel lockers, mail room, Resident's Club with FREE Wi-Fi & Business Center, beautifully furnished Courtyard, bike storage w/dog wash station, and roof top deck with grill. 101 Ellwood is convenient located near Harbor East, Fells Point/Canton and the Inner Harbor.

Each apartment home features Energy Star Stainless Steel appliances, full size washer & dryer, granite counter tops & breakfast bar, hardwood floors, high-end wood cabinetry, walk-in closets, and much more!
