Hi. I am looking for a medium-sized dog for my 5 year old son who is autistic. I would like the dog to be 8 months to a year old. Preferably a lab or retriever. We have a food bowl, food, and a collar and leash. We have no form of transportation so it would be easier if you could drop the dog off to us. If you could help us or you want any more information please feel free to give me a call. Thank.
