Hello my name is Shay and I'm looking to rehome my pit bull mix... She's very well behaved and house trained.. She's also fixed.. She's great with kids and other people.. She's a cuddle bug.. Breaks my heart to have to let her go but I just don't have the time for her that she needs... I'm asking 200.00 with her paperwork 150.00 without it.. She comes with all her belongings.. Willing to send pictures upon..
